To whom it may concern

Testing and verification of instrument transformers by Pfiffner Messwandler AG, Switzerland

We herewith confirm that

Pfiffner Messwandler AG
Prüfstelle für Messwandler
Lindenplatz 254
CH-5042 Hirschthal / Switzerland
☎ +41 62 739 28 28 / fax +41 62 739 28 10

is authorised

- to perform verifications of instrument transformers as a legal metrological procedure.
- to plomb (seal) the instrument transformers resp. to stick on the official verification marks (see enclosed patterns).
- to issue the verification certificates according to Swiss legislation.

This authorisation is granted in the "Eichstelle-Ermächtigung" which is based on article 16 of the Swiss law "Bundesgesetz über das Messwesen" and article 20 of "Eichstellenverordnung".

Further information is available on request at the signatory.

Swiss Federal Office of Metrology
Division of Electricity and
Environmental Metrology

Dr. Ulrich Feller, Vice-Director
